## Things to Remember

Help keep your parks beautiful. Please take your trash and recyclable items home. Take only pictures and leave only footprints.

Howard County law requires owners to clean up after their pets. Keep him/her leashed. Dog droppings may attract disease-harboring pests, and even a friendly dog can scare birds, wildlife and other park visitors.

All of our parks are inhabited by a wide variety of wildlife such as deer, snakes, fish, rabbits, insects and birds. Please do not disturb them; remember, this is their home.
